PRINCIPAL'S REPORT:

Dear Parents and Carers,

As we head into the final week of the year I would like to take this opportunity to again congratulate all of our award winners from Friday and to say that to the children that were not called upon on Friday that we still see you! We see your hard work and effort, we see your kindness, we see your perseverance and we see your bravery and accomplishments. Well done!

I would like to take this opportunity to thank the teachers and staff at the school for their dedication and hard work. I would also like to thank our hard working P&C and our behind the scenes parents and supporters, including those businesses that support us - you know who you are!

It is your generous donation of time and resources that allows us to successfully fund raise the way we do. If you were present at our end of year assembly you would have heard the extensive list of things that the P&C have fund raised for and purchased for the school.

Next year will be an amazing one. We are on the cusp of forming our 5th class but will not know if this is possible until the end of our first or even second week of school. On our first week back students will remain in their 2018 classes until numbers are counted and new classes are formed in either a 4 or 5 class model.

Please remember that school resumes on Wednesday 30th January for students in Years 1-6. Students in Kindergarten will officially commence on Monday 4th January, 2019.

I'd like to finish by wishing everyone a merry Christmas and hope you have a happy holiday break.

Regards
Cathie Glennan
