PRINCIPAL'S REPORT:

Dear Parents,

Congratulations to Taylah, Elouise and family on the birth of their brother. Our 9th baby this year including two staff members. A true population boom!

The school has been asked to sing at tonight's Christmas Carols. Children attending are asked to wear a Santa hat or a piece of tinsel in their hair etc. It commences at 7pm. I will be attending but need parents to meet their children at the church door at approximately 8pm. Please do not send your child if you know they will not follow directions and can not sit for lengthy periods in a church without talking or misbehaving.

To say thank you to the students who try to do their best and have been following the school rules, we are taking them on a special 'Boat Award' excursion. Please see the details below.

We are in full swing for the school concert to be held on Thursday evening. Thank you to the parents who have quickly responded to notes and let us know if their child will be attending. At the conclusion of the evening your child will be dismissed in an orderly fashion to make sure they are safe. There will be moving cars and it will be dark so take care when entering and exiting the school grounds. If parking in Church street could you please park nose to the fence so we can fit more cars along the street without having to walk a great distance. We still have seating available if you would like to invite neighbours or friends.

BOAT AWARD EXCURSION

The school has made a booking at Ulladulla's Funland Park for this Friday 14th December, 2012 as a reward for our positive behaviour. This excursion is based on students showing respect, responsibility and safety in the playground all year. Notes will be sent home to the children who have contributed to help fill the box for their positive behaviour.

SCHOOL LIBRARY

The school library is now closed for borrowing, so now is the time to check your bookcases and under your beds for any overdue library books, as Mrs Hiscox will be doing a stocktake this week. If you happen to find any books just drop them into the office please.

MOZZIES

Unfortunately that time of the year has come back, yes the mozzies have invaded us again therefore please make sure your child is protected when they come to school by applying insect repellent in the morning. Also please remember to have in your child's back pack a roll-on insect repellent for later in the day if needed so that they are protected at all times as the school does not supply repellent. Thanking you!
