PRINCIPAL'S REPORT:

Dear Parents/Caregivers,

Congratulations and thank you to the parents who attended last Tuesday's P&C AGM. The new committee is: Jodie Searl President, Stacy Gardiner Secretary, Angela Smith Treasurer, Tracy Barnett Vice President and Leanne Crane Media and Promotions. At this meeting it was decided that the meeting day and time would change to accommodate more parents to the fourth Monday of the month commencing at 5 pm. We hope this may mean parents who have found it difficult in the past to attend, will be able to come to the meetings.

Please accept my apologies for not including a reminder to last week's assembly in the newsletter. Thank you to the parents who did attend because they just remembered that we have an assembly at the end of week 5 and 10, or they got the message through their child.

Many thanks to the parents who have sent in wool for the school. Wool makes an easy craft idea to keep the children occupied on wet cold days plus teaches them some new skills. We are always pleased for any craft item that you would like to donate and can put anything to a good use.

Safety in and around the school is a priority of this school. Please make sure children are supervised of an afternoon while talking to other parents. We currently have the situation where children are being safely taken across the road by teachers to go home, running back across the road to join children in the tree. The tree near the chook shed is not to be climbed. The school has a duty of care which means we are responsible for your child until they are in your car and safely on their way home.

Do you have any acting ability and would you be interested in working with the teachers to train the children for a performance later next term? If so please let me know. Perhaps you have some sewing ability and would like to help make costumes or paint a back drop. In what ever capacity you have to help, I would like to hear from you.

Do you know of any recently retired person who would like to help the school? The canteen is in need of volunteers. The job would suit a person wanting to have contact with other people and to give back to the community.

Yours in education at a small school making a big difference.
Kate Murphy
