#### PRINCIPAL'S REPORT:

Dear Parents/Caregivers,

Many thanks to the parents who came to our Education Week Open Day last week. Thank you also to the teachers who organised the children and to the staff who cooked the BBQ. I hope you enjoyed your afternoon at school.

Congratulations to the children who attended the Mogo excursion. Not only were they praised for their behaviour by the guides but also by the bus driver when we arrived back at school. I hope the children shared with you their knowledge, gained from the day. I attended the goldfields and was very impressed by the experience.

This Friday we are joining with Terara school to have some friendly Olympic competition. All children will be expected to participate and it will be designed to include everyone.

Putting a newsletter together each week takes some organisation and so does answering the phone when parents haven't read their newsletter. The newsletter is our most reliable communication with you. Please check your child's bag each Monday and know what is happening.

Best wishes to the children who will be representing our school at the district athletics carnival. Run like the wind and throw the shot put harder than anyone else.

Yours in education at a small school making a big difference.

Kate Murphy
