### PRINCIPAL'S REPORT:

Dear Parents/carers,

Congratulations to our Trivia committee who met on Friday morning. We will now be holding meetings every Friday at 9:15am, everybody is welcome to attend. There is only seven weeks left to the big night. The event would make a fun change to the same old Christmas party so get a table together from work and come along. You'll be guaranteed a fun night of laughter and good eating. Trivia doesn't have to be your thing because there are other activities to keep you entertained. We have the capacity to fill the school hall with at least twelve tables so it is up to everyone to encourage people from the community to attend. You may like to collect a small flyer from the office to take to work and help with advertising.

Parents are reminded that under no circumstances are they allowed to approach another child during school hours. If you happen to be sitting in your car or watching from the school gate and you feel something has been missed and is significant, could you please come to the office. If you need to give your child a message, you still need to report to the office first and explain why you need to see your child.

Mrs Spelta and myself attended a course on Friday which was aimed at connecting the learning which needs to be learnt for the new Literacy curriculum next year. Whilst most is the same, the terminology has changed and there will be a shift in the way we report to parents. Next year will be a fazing in year while at the same time we will be learning to implement the numeracy curriculum for the following year. I'll keep you up to date and run some parent information nights next year.

## P &C Chocolate Fundraiser

Please help us!!

As you may be aware a new P & C has been formed, as it was formed half way through the year there has not been good opportunities to establish reasonable funds via fundraising.

Due to this our funds are very low; we now have an opportunity to try to recoup some funds by selling chocolates.

We would like to ask all parents and students to help us do this by helping with the selling of the chocolates, we would really appreciate it. As you know the funds raised will all go towards OUR children and their educational needs and the children's end of year outing which is paid for by the P&C.

Chocolates will sell for \$1 each and is a mixed box. There are 50 chocolates to sell per box. Please leave your name with Mrs Miller in the office if you can help our school.

## SCHOOL SWIMMING SCHEME

The school swimming scheme started today 14th October to 25th October, 2013. Cost for the swimming scheme is \$75 per student. **Please remember to pack your child's swimwear each day.** Unfortunately any student participating in the swimming scheme will not be able to participate in the fishing program on the 23rd October. These two programs have been organised by separate departments, the school had no control over the clash of dates but we apologise to students who were looking forward to fishing.
