### PRINCIPAL'S REPORT:

Dear Parents/carers,

Greenwell Point has grown by one with the birth of Kylie, Todd and Rickie's new bundle of joy. Well done Kylie, a little boy is lovely.

Planning for the trivia night for Saturday the 30th November is well in hand. We need to remind everyone that if they can offer help in any small way this will benefit their child in the future. If trivia is not something you enjoy then you might like to mind some children for someone else. We also still need donations for prizes and any contacts, gifts or food would be most welcomed.

Many thanks to the parents who promptly let us know if their children have any infectious diseases. We currently have an alert out for Chicken Pox and Scabies. Chicken Pox usually starts out as a small blister like sore. Impetigo is similar looking to Chicken Pox but usually only appears on the face. Once the sores have crusted over, the child may return to school.

Dates and times for Kindergarten Orientation have been set. If you know anyone wishing to enrol for 2014, please ask them to contact the office ASAP.

**DAY FOR DANIEL**-keeping children safe 25th October a national day of action. Children may like to wear something red to school on this day. Teachers will be talking to children about how to Recognise, React and Report if they feel unsafe.

This term will become busier as Christmas approaches. Please keep an eye out for notes and dates. Don't forget you can get your newsletter on-line.

Principal
