### PRINCIPAL'S REPORT:

Dear Parents/carers,

**Roll up! Roll Up! No I think that is only used for a circus not a Trivia night.**

Tickets are selling fast, so get in quick. This year has been planned to be a night of fun and laughter. Plus you get a three course meal. Prizes will be awarded for the best dressed Christmas outfit, but that's optional. If you are not sure about meeting new people come along and the school staff and P&C will make sure you feel welcome very quickly.

To help out with our trivia night you might like to donate the item attached to your newsletter. This way you will know you have contributed to the success of the night. We live in a very busy world and everyone is working hard to make sure the children at this school have every advantage we can provide but it takes money and in some cases a lot of money. Don't forget to ask and encourage some of your work mates and colleagues. The theme means it will be a great opportunity to enjoy a Christmas catch up before the 'silly season' really gets hectic!

Our future leaders for next year are attending a leadership opportunity at Killalea Environment Centre today. They will be given fun activities to complete with their peers and will discuss what being a leader is all about. Last week the Year 5 and Year 6 students went to Berry Sport & Recreation camp. Mr Cunningham reported that the children were excellently behaved and really enjoyed themselves. I have heard parents say that they can see that their child has matured just in the few days they were away. This is an important step towards their readiness for high school and moving on to being more independent of their parents.

This Thursday will be the last orientation day for Kindergarten 2014. If you know of any children starting school next year or moving into this area please let us know. Our zoning extends along Greenwell Point Road and around into the Mayfield area. There is also a school bus which takes the children in and out along Greenwell Point road each day.

Principal
