PRINCIPAL'S REPORT:

Dear Parents,

Congratulation to the children who attended the special sporting event at Exeter last Friday. Thank you also to the parents who transported the children and to Mr Cunningham for organising the opportunity for our students to compete in a wider sporting arena. I have heard it was a lot of fun and the score of the second game was very close.

This coming Friday there will be a whole school assembly followed by an activity afternoon. The Year 6 students have been planning the afternoon for some weeks and would love parents to participate in all the activities. It is all about doing things together and having fun.

Mrs Miller has been organising Meal Deals in the absence of the P&C committee. I would like to ask is there any parent or grandparent who would like to help the school by working in the canteen only. The Meal Deals provide variety and are easier to prepare than having the traditional menu. It also means there is no wastage or any out of date stock. If you would like to be included on a roster please let the office know. The more people who help the greater chance you have of only doing a duty a few times each term. If you could also indicate who you would like to work with we will endeavour to make up the roster with this information.

This Wednesday commencing at 5pm we will be having our AGM for the P&C. All positions will be vacant and I ask that you consider taking on a position. You need to have attended a previous meeting to have voting rights and to be elected. Any positions not filled will be held over until the next meeting. If you would like the chance to work more closely with the school then come along to this important meeting and offer your support .

All students are encouraged to bring food for Munch and Crunch. Small pieces of fruit or healthy nuts such as almonds and other dried fruit are all ideal. Children who eat healthy have improved concentration and behave for longer periods so it is in your child's interest to bring the right food to school each day.

SCHOOL DISCO

Our Year 6 students are currently organising an 80's and 90's school disco to be held on Thursday 13th June, 2013 commencing at 5pm to 7pm. The cost is \$6 and includes a hotdog, popper and a packet of chips. If you do not want a hot dog the cost will be \$3.50. Unfortunately we can only allow students of our school to attend, sorry for any inconvenience this may cause. (This means that older siblings can't attend, but if you're a parent that wants to stay at the disco with your children, you are very welcome).

HEALTHY HAROLD'S VISIT—whole school

The Life Education van is visiting Greenwell Point Public School today and Tuesday 4th June, 2013. This very important program supports the work we are doing on educating your child about substance abuse, drugs and keeping themselves safe. Children in the past have really enjoyed the lessons and the interesting hands on way they are delivered. The cost is \$9 per child and each child receives a student workbook for our visit to the van and a sticker.

PLEASE PAY ALL MONEY TO THE OFFICE NOW.

WOOLWORTHS EARN & LEARN:

A big thank you to those families who have already sent in stickers for the Woolworths Earn & Learn program to help our school receive extra resources. We have 3 boxes around the area: we have left our big Woolworths box at the Stocklands store in Nowra, please feel free to add stickers after you have finished shopping or the Black Marlin has a box in the post office area or bring your stickers to school. If you have any family members or someone from the community that don't have a school to donate their stickers to, let them know also. Thanking you for all your help saving these stickers. Last year we were able to redeem the stickers for some valuable resources such as 5 large tubs of mathematics resources.

MEAL DEAL
