PRINCIPAL'S REPORT:

Dear Parents,

Welcome back to term 3. I have heard the weather was not very good so I hope you were still able to enjoy the holidays with your children.

As promised last term we will be holding interviews with parents shortly. This is your opportunity to discuss your child's progress with their classroom teacher. In most cases if your child is having difficulty you already know because it has been discussed but sometimes the teacher may have some fresh ideas to help you support from home.

We will shortly have to estimate the number of students for 2014. It is helpful if we know of any new students that may be commencing kindergarten or moving into Greenwell Point. Could you please remind your neighbour if you know they have a school age student or next year .

Staff from our school and Nowra Hill had a very productive day programming using the new curriculum. There is new terminology and ideas to adjust to and it will take a few more such meetings before we all feel confident that we understand what is required. While we have a new national curriculum we still have to work within the NSW syllabus for each subject area.

As only 4 parents replied to the survey in regards to the change in P&C times I will be contacting them personally. If you would still like to have a say please let me know before the end of this week so you can be included otherwise you may not be happy with the day and time selected. At this stage the 9 to 11 am time slot is most popular but the days are all different.
