PRINCIPAL'S REPORT:

Dear Parents,

Thank you to the parents who attended the Education Week celebration and Parent Teacher meetings. Children love the opportunity to show how clever they are and for you to meet their friends. Our school works hard to deliver the best education to your child. If that isn't what they are getting in your opinion, then please let us know. Good behaviour plays an important part in educating your child. Our Bully steps are simple but effective if your child uses them. We promote happy healthy children who enjoy their learning environment. Your support from home is greatly appreciated and beneficial as your child grows into adulthood.

Schools in the Shoalhaven participate in a music festival each year. Our performance date will be September 5th. Tickets for the night will be on sale shortly. This is a Year 3-6 event with the inclusion of a few year 2 if they are performing well. As this is part of our creative and performing arts for this term all children are expected to attend. Please sign the permission note and return to school by Wednesday this week..

Children travelling on the school bus are reminded that they must sit quietly and not get out of their seat. It would be disappointing if children were asked to no longer ride in the bus because of their behaviour.

Congratulations to our senior students who continue to make everyone feel proud. Their outstanding results in the small schools athletics carnival is to be commended. Good luck in the district for those attending.
