PRINCIPAL'S REPORT:

Dear parents,

As a small school we have never been so lucky, as we currently stand with a very supportive parent and community body. Each week a very small group of people sell raffle tickets for the school at the Greenwell Point hotel. Although some have given generously of their time I haven't. My apologies must be given to Leanne Crane and Karen Kendall. Through total ignorance I have thought the job was beyond my capabilities!

We are in need of your support but after I explain what is involved you might feel better about putting your hand up, like me.

Every Friday night between 6 pm and 7 pm two people are needed to sell tickets in the meat raffle. You ask the patrons to buy tickets, take the money, fold the tickets and draw the winning numbers. I understand the most time you need to commit is approximately an hour and a half. You will be rostered with someone who knows how the routine works.

You don't have to be a member of the P&C to help. Please fill in the tear off section on the back of the newsletter and return to school the dates you might not be able to help, but are willing to help. Helpers are also required through the school holidays.

People are very generous and keen to see their local school prosper. We can potentially raise a thousand dollars each month. For the first time ever we can save for the big ticket items.

The school would like to welcome ex student Sophia Mintram to school for her Year 10 work experience from Shoalhaven High School.
