### PRINCIPAL'S REPORT:

Dear parents,  
Congratulations to the many children who received awards at last week's assembly. The quantity and quality of the work has been very pleasing. Well done to the children who used the microphone and spoke so well during their presentation.

Mr Wilkinson has reported that the children attending Friday swimming are using the time to improve their stroke techniques. The swimming carnivals are early next term and it would be very exciting to enter as many children as possible in every event.

It is that time of the year where classes and numbers are being looked at for 2015. If you know your child will be moving during the holidays or someone is moving into the area, please let me know as soon as possible.

I have attached a school attendance reminder that you might like to show your child when they are feeling like a day off school. This is to support the great job you are already doing in getting your child to school each day. If your child is sick, we know the best place for them is to stay at home. However some children are making it very difficult for their parents and missing far too much of their schooling years. Parents can find themselves in court if a child's poor attendance is questioned.

Kate Murphy  
Principal
