### PRINCIPAL'S REPORT:

Dear Parents/Carers,

Voting for our school leaders will take place this week. Badges will be given out at Fridays assembly. If your child is successful in gaining a position you will be notified in the hope you can attend the assembly.

The way in which our schools are given a budget for the year has changed. The new method is more equitable if everyone answers the following question correctly. You were asked to tick a box on your child's enrolment form to indicate your level of education. Most people have answered this question but we have a few exceptions. I will be contacting the families where this information has been left vacant. If it is left blank we are given less money because it is deemed that you have the highest education and thus have a wealthy income etc. and can pay a lot more for your child's education. This information remains private to the office and the education department. Please help us to help your child by returning the information promptly.

Local high school students were again mentioned for using the school as a party pad, over the weekend. If you see or hear anyone in the school after hours, please just ring the police.

If you are after some groceries or meat for tea and do not live in the Point can I ask that you consider supporting the local shops who support your children's education? Through their generous donations we have many additional equipment items and learning tools.

Kate Murphy  
Principal

### SCHOOL ASSEMBLY
