PRINCIPAL'S REPORT:

Dear Parents/Carers,

It is Week 8 already and the term is nearly finished, we only have this week and next week before the school holidays. It is going to be a very busy time for everyone.

Thank you to everyone who have supported the Life Education Van. I think the children will have fond memories of Healthy Harold, not only last week but the many previous years.

Mid year reports are due to go home on Friday 20th June, 2014. Parent interviews will be held the following week:

Mrs Spelta—Monday 23rd June
Mrs Bowman—Tuesday 24th June
Mr Wilkinson—Thursday 26th June

Interview times forms will be sent home this week and we ask that they be returned as soon as possible so teachers can organise times. I encourage all parents to take the time to have a teacher interview so they can discuss where your child is at academically and how you can help with their future education.

There will be a whole school assembly on Friday 27th June, 2014 at 1:45 in the school hall.

If you have any concerns regarding your child please contact Mr Wilkinson or your child's teacher.

Have a great week.

Regards
John Wilkinson

Schoolatoz Tips

CHILDREN THRIVE WITH PARENTAL INVOLVEMENT

Turning the snags at the school sausage sizzle or sewing sequins on costumes for the school play has far more value than parents realise.

As a parent, you are the most influential factor in how your child views school and the community they're part of. Your involvement with their learning goes a long way towards your child becoming a capable, resilient and happy adult. Regardless of whether our children are in primary or high school, never be afraid to ask teachers how you can get involved. In the eyes of the school, you are a valuable resource. Why?

Better Learners—Research shows that kids do better at school when parents get involved—in maths, English, their social relationships and their approaches to learning goes a long way towards your child becoming a capable, resilient and happy adult.

Happier kids—When parents are involved in their child's school life, it leads to a happy and well adjusted child, who has positive relationships with teachers and peers.

Better coping skills—Resilience is the ability to bounce back from disappointments and traumas in life. Research shows that a sense of belonging to a community is a key factor in becoming resilient.
