PRINCIPAL'S REPORT:

Dear Parents,

I would just like to take this opportunity to welcome Mr Wilkinson back, from all accounts he very much enjoyed his trip, but is looking forward to getting back down to work with 3456. A big thankyou goes to Mrs Court for filling in so well while Mr Wilkinson was away.

We had a good turn out at our assembly on Friday despite the weather, congratulations goes to all our award winners and a big thankyou to Kinder and 1/2 for their very entertaining items. Mr Wilkinson and 3456 also were ready to perform but due to time constraints were unable to, we will look forward to their performance later in the term.

A big thank must also go to our out going P&C executive, the support and resources that their efforts have provided to our school will indeed contribute to the achievement of student outcomes. Such support is greatly appreciated and well received, thank you. We also welcome our new executive who were elected at Friday's AGM and the staff and students of our school are looking forward to working closely with them over the coming year. The new P&C executive are:

President: Shannon Hirschhausen

Secretary: Tara Sheehan

Treasurer: Cassandra Rowley

Vice Presidents: Danielle Luxton and Angela Riepsamen

P&C meetings will now be held on the first Thursday of every month at 1:30pm, all are welcome to attend.

Please be aware that despite the cold weather there are still plenty of Mozzies about. If they cause your child a problem, or your child is allergic to bites, please let us know and we will try to be extra vigilant.

There has also been a report of hand, foot and mouth disease within our student population. Hand, foot and mouth disease is a very common viral disease of childhood which is easily passed from person to person. It usually causes a mild illness. It is not at all related to the foot and mouth disease that affects animals. Good hygiene helps prevent infection. Please see the attached Fact Sheet for more information.

Kind regards
Gordon Parrish
Relieving Principal

AUSTRALIAN EARLY DEVELOPMENT CENSUS (AEDC)

All Kindergarten students were given a letter last Friday and will receive the same letter today attached to the newsletter. Please read this letter and contact the school if you wish your child to be excluded from this census report.
