## PRINCIPAL'S REPORT:

Dear Parents,

Just two weeks of term 3 left, it has certainly flown by!

**Can you help us out this Sunday 13/09/15?** We have settled on this date for our School working bee! If you can help out on the day please indicate on the attached form or online via the link on Facebook! We plan to move the vegie gardens closer to the buildings so the kids can actively participate in gardening projects. We will also be creating gardens with plants and shrubs that are **Mosquito deterrents**.

The “**Tell Them From Me**” survey mentioned in a on our Facebook page and via the School Stream App can be accessed in your own time between 17 August and 16 October 2015 and only take 15 minutes to complete. This “Partners in Learning” survey is designed to be completed by parents and carers in a confidential manner and complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose. **This is your chance to have your say in the future directions of our school and the education of your children**, please take the time to complete the survey! Follow the link below on your computer or tablet. If you are unable to access a computer, device or the Internet at home then please contact me here at school and I can arrange for a time for you to use the schools resources to complete the survey. The survey can be accessed at [www.tellthemfromme.com](http://www.tellthemfromme.com) using the following log on details:

The library is due for a stocktake and at the moment there are a lot of children with overdue books or books that are missing. Can I ask parents to make that extra effort to check for books at home, if you child does have a missing or overdue book a reminder slip will be sent home this week! If books are lost then an invoice will be sent home to cover the replacement cost.

Our P&C has recently spent in excess of \$1000 on new quality reading resources for our library which is greatly appreciated and valued!
