### PRINCIPAL'S REPORT:

Dear Parents and Guardians,

I am proud of your children on a daily basis. Many thanks to all the parents and family members who attended the Easter hat parade. Judging such beautiful hats was very hard.

Our next P&C meeting will be held next Thursday. If you are not able to attend and have some ideas you wish to be considered for our Festival later this year then please pass the ideas to the committee or myself. The last Festival was excellent and we would like to build on our past success.

Many thanks to Mrs Spelta who has donated material to be used for craft etc. at school. Some of this material would be handy to make items for the Festival. Early next term we will be asking for items to be donated in readiness for the festival. If you are a gardener and have plants to divide or cuttings now would be a great time to start potting them so they are healthy plants by the time they are needed.

In week 3 of next term Years 3 and 5 will be sitting the NAPLAN tests. These tests are aimed at testing your child at a point in time. The tests tell us a little bit more about where your child may need support or remind us that something may need reteaching. Encourage your child to do their best and to have a go at every question.

We will be holding the whole school assembly this Friday at 9:15am (due to dance to be fit in the hall in the afternoon) in the hall. All family members are welcome.

Kind regards  
Kate Murphy
