### PRINCIPAL'S REPORT:

Dear Parents,

Welcome back to Term 4. We hope you had a wonderful break with your child. Term 4 is shaping up to be a very busy term. From this Friday, students will be participating in music, dance and drama lessons. T-Ball and golf lessons will continue and Tennis will be added to our sports repertoire as well.

On the 28th October the P&C will be hosting their trivia night, so if you haven't yet purchased your tickets now is the time to start organising at your team. In Week 3 of this term we also have our Book Fair. This is a great opportunity to get books for your child at great prices.

This term also sees our teachers undertaking a lot of teacher training. Some of this training will be on site and others will be held at other schools where teachers will have the opportunity to network with other colleagues. We will do our best to maintain as much consistency as possible during these times.

This term also sees our Year 5/6 students off on their Canberra excursion and our new Kindergarten enrolments will have their first taste of 'big' school.

Finally, please remind your child to wear their hat every day. The weather is really starting to warm up and we want to keep them as safe as we possibly can from the harmful effects of the sun.

Have a lovely week.

Regards,  
Catherine Glennan  
Relieving Principal

### SCHOOL SWIMMING SCHEME

The Department of Education are once again offering the School Swimming Scheme. This program is open to students in Years 2-6. Students who have not reached a satisfactory standard of water safety and survival skills, and are unable to swim 25m confidently unaided in deep water, will be accepted before our more able swimmers. The program will start on Monday 13th November 2017 and will continue until Friday 24 November 2017. Thirty places ONLY will be available. Cost for this swimming scheme will be \$60. Please complete the expression of interest form on the back of the newsletter and return it as soon as possible. This does not guarantee you a position. There are still a few spare places left.
