PRINCIPAL'S REPORT:

Dear Parents,

What a fun filled week was had by all at school last week. We had children participating in swimming, children playing guitars, xylophones and drum kits. We had an amazing assembly, with a wonderful item presented by Mr Atherton and the 2/3/4 students. We had our first tennis lessons and children participating in fun filled classroom lessons. It was lovely to see the smiles and hear the laughter from not only the students but teachers and parents. It truly is a wonderful community here.

This week we continue with swimming, We also have Year 6 attending the University of Wollongong's In2Uni program at the Shoalhaven Campus and some students attending the "Get Hooked" fishing Program here in Greenwell Point. As a keen 'fisho' myself I know that the children attending will enjoy learning the sport of fishing and all that it brings.

Next week our Year 5 students interested in becoming a school leader for 2018 will have the opportunity to present their speeches to the school. A note for all year 5 students will be coming home today.

Lastly can I please say thank you to the P&C for their generosity. Last week we had additional speakers installed in the hall. This allows for better sound coverage and I know they will be well utilised.

Have a great week,

Regards,
Catherine Glennan
Relieving Principal
