PRINCIPAL'S REPORT:

Dear Parents,

What a busy, but fun filled week we had last week! Students finished off their last week of swim school, showing off the skills they had learned during the 2 week program. Well done to all of the students who attended, it is such a valuable program.

Last Thursday twelve Year 6 students had a taste of University life when they visited the University of Wollongong, Shoalhaven Campus. They participated in lectures and tutorials, learning more about the courses that would be available to them in the future. The students had a great time participating in law lectures, and art classes and were perfect role models for our school. I'm sure many of them will go on to become students at the University now that they know that the option is there for them.

A few lucky Year 4 and 5 students also participated in the "Get Hooked" Program here at Greenwell Point. Sophie (Year 4) managed to land herself a decent sized fish off the jetty, as did Phoenix. Well done girls on showing everyone how it's done! Mr Atherton walked away empty handed unfortunately, despite his best efforts!

This Thursday the SRC will be holding a fundraising Day. There will be a paper plane competition, along with a variety of other activities. Please support this wonderful cause and come along dressed in your favourite summer gear. For more information, see the attached flyer. A disco for students will be held on the night starting at 5pm and finishing at 7pm. The P&C are looking for support with this activity.

Plans for the end of year presentation are well underway. Presentation date has been set for Wednesday 13th December. The exact time is yet to be established so stay posted for more details.

The end of year excursion has been set down for Tuesday the 12th December. We will be taking students to the Nowra Pool as a reward for their efforts this year. A note about this excursion will be sent home soon.

P&C are also looking for helpers with the Friday night Greenwell Point Pub raffles. This raffle raises thousands of dollars for the school every year but we rely on parent support to keep it happening. It would be a shame to lose this activity to another club or institution. If you can spare one Friday night every other month, please leave your details at the school.

Regards,

Catherine Glennan (Relieving Principal)

Happy Birthday Congratulations and Happy Birthday

Sam who turns 9 on the 28th November
Dominic who turns 12 on the 30th November
River who turns 6 on the 1st of December

Boat Awards:

K/1 Abbie & David
