PRINCIPAL'S REPORT:

Dear Parents,

Wow! Congratulations to our swimmers. Last week, their behaviour and swimming efforts were outstanding. We came fourth and have several swimmers going onto district level which is this FRIDAY.

Our first P&C meeting was held last Thursday. Thank you to the hard working parents who support their school and help plan school and community events. The biggest event on the calendar this year will be the trivia night. If the past trivia nights are anything to go by, you will want to book your table as soon as the bookings become available.

Library borrowing will commence next Thursday. Please encourage your child to read, by reading to them or by asking them to tell you about the types of books they are reading and why they enjoy them. If at anytime you are not happy with their book selections please let me know.

Parents are reminded that they are not to approach any child in the school playground. If they need to speak to their own child or drop off or give them something, they must come to the office first and sign in.

Kate Murphy

Principal of a lovely small school doing amazing things!
