PRINCIPAL'S REPORT:

Dear Parents,

Thank you for helping us make the transition back to school run smoothly. We have several new families and I hope they have been made feel welcome by everyone.

Teachers will shortly have a list of classroom requirements and expectations. As you can appreciate there has been some changes and we are still adjusting classes. The children need to be in the class that will meet their needs and where they will feel the greatest success in their learning. Teachers will shortly send home a list outlining their expectations and any specific requirements. The book list will be finalised next week and we ask parents to pay as quickly as possible so the children can commence using with everyone else. Please see me if you have any difficulties in making the payment. Children who have scholarships may use them to pay for text books, just let either Mrs Hiscox or Mrs Miller know.

Principal of a lovely small school doing amazing things!

KIDDITCH Guinness World Record (A game adapted from Harry Potter's Quidditch game.)

Schools in the Shoalhaven are sending students to compete in an event this Friday 10th February at Shoalhaven Heads. Unfortunately it clashes with swimming training so it can't be a whole school thing for us. But we did have a few children who enjoyed the game last year and may like to be included.

Parents would have to organise their own transport.

The convenors will teach students how to play during the morning session then run a 20 team knockout competition to follow. The game is non-contact and played with children running around with pool noodles as their 'flying broomstick.'

If your child is interested and you can transport them etc. please register them at: <https://www.eventbrite.com.au/e/kidditch-guinness-world-records-official-attempt-registration-30788150186>
