PRINCIPAL'S REPORT:

Dear Parents,

Friday last week saw the commencement of our sporting schools programs. The children had a great time participating in their first set of golf lessons and over the coming weeks they will also have the opportunity to participate in T-ball lessons too.

Plans are also underway for students to begin participating in extra Creative Arts lessons next term with the school funding specialist teachers to deliver exciting new programs. We are hoping to have these up and running by Week 2 of Term 4. Stay tuned for more information on this subject.

Next term I will be seeking input from any parents or community members interested in being a part of the school planning committee. 2018 sees the commencement of a new 3-year planning cycle for the school and input is always welcome. If you are interested on being a part of this committee, please contact the school.

Please note that the double top gate behind the hall will be locked over the coming weeks. This is for the safety of all students. Please only use the gate at the northern end of the field.

Regards,

Catherine Glennan
Relieving Principal
