PRINCIPAL'S REPORT:

Dear Parents and Carers,

Congratulations to our sporting children who have excelled themselves over the last few weeks. Not only have they achieved great results but they have shown respect and sportsmanship.

It has come to our attention that head lice is around again. Although we are a small community it is very hard to isolate the problem without parents letting us know as soon as their child requires treatment. Thank you to the parent who let us know last Friday. If your child has head lice you will notice they are itching their head constantly. It is a good idea to do regularly checks when nits are around. The important part is to treat the child's head with a recommended product straight away and to continue to monitor that you have removed all eggs from the hair shaft. Children also need to be taught not to put their heads next to other child's head or to share hats, combs or brushes. Also be mindful when your child visits relatives and friends who attend other schools.

Our Read-a-thon starts this week, please encourage your child to read and to take part in the Read-a-thon. If an aunty or friend is willing to sponsor your child for an amount per book read or make a donation it would be very supportive of the school and the P&C who regularly purchase reading material for your child. Help is also needed for the pub raffles. Please contact the school.

Our first school assembly will be held in the hall this Friday at 2pm. This is an opportunity for the children to present their work and to speak in front of an audience. Parents, grandparents and siblings are invited to attend.

Mr Atherton is representing Australia in Japan over the next two weeks. We congratulate him and wish him and his baseball team all the best. His game can be viewed on Foxtel 506 on Saturday night at 9pm. Go Australia!
