The Easter Hat parade will commence at 9.20am. When taking your seat could you please leave the front row for the school children.

The categories are:

- Most Original
- Best Decorated and
- Best hat made out of recycled material.

School Attendance

Regular attendance at school is essential to assist students to maximise their potential. Schools, in partnership with parents, are responsible for promoting the regular attendance of students. Parents are required to explain the absences of their children from school promptly and within seven days. The school really appreciates a phone call when children are away or going to be away. It is also helpful to be informed when an illness is contagious. So we can notify the school community. Many thanks to the parents who already do this.

Have a lovely Easter Break with your children and family.
