PRINCIPAL'S REPORT:

Dear Parents and Carers,

It has come to our attention that a case of chicken pox has been diagnosed in the 1/2 classroom. Please make yourself aware of the warning signs because children can be unwell for several days before the sores appear. Children must remain at home until all wetness in the sores have dried over. This is usually about 5 days.

Symptoms of Chicken Pox

Slight fever, runny nose and a rash that begins as raised pink spots that blister and scab.

Congratulations to the children for an entertaining assembly last week. Our school captains did very well for their first assembly.

On Wednesday 28th March we will be having an **Easter Hat Parade**. Children are asked to make their hats at home and come prepared to parade them for all to see. We have several categories that a child may enter:

- Most original,
- Best decorated and
- Best hat made out of recycled material,

Preschool siblings are also included if they would like to parade a hat.

Friday Raffle helpers

Help is needed desperately. Please let the school know if you could help each term. A fun way to get to know some parents.

Kate Murphy

Proud principal of the best 3/4 class.

LIBRARY

Library borrowing will be on a Monday. Children need a library bag or a protective bag to prevent the books getting wet or dirty in a school bag. We have several books not returned since last year. Please look at home and let Mrs Hiscox or myself know if they can't be found.

WORKBOOKS

Students are now asked to purchase workbooks. If your child has a scholarship from last year's presentation please let Mrs Miller know.
