PRINCIPAL'S REPORT:

Dear Parents and Carers,

A HUGE thank you to our amazing P&C and all of our volunteers for making Fridays Colour Explosion Fun Run such a huge success. It truly was an amazing day.

The children started the day with great enthusiasm and it never waned. They were excited to see the obstacles created by the volunteers and they enjoyed running through bubble tents, crash mats, tunnels and water pistol fire! By the end of the run the children were coloured from head to toe. We also had an amazing lunch thanks to our fantastic canteen workers.

It is days like this when you see so much community spirit and the children love it when family and friends turn up to cheers them on.

The children have now started returning their sponsorship monies and money needs to be in by **Monday 17th September**.

Thank you again to anyone who helped out on the day or behind the scene. Look out for photos in the South Coat Register!

Last week we were audited by the Department of Education auditors. This occurs every 2-3 years. This year the focus was on Student Attendance -how we manage non-attendance, late arrivals and early leavers, Child Protection - making sure all of our regular volunteers have provided us with 100 points of identification and Health Care Plans for students.

If you are a regular volunteer and you haven't yet done so, please provide the office with your identification next time you are in. If you have a child with a medical condition we will be contacting you to provide us with updated medical information if we feel or notice the information is out of date or incomplete.

The biggest area we need to improve on however, is student attendance. I have included with this weeks newsletter some information on student attendance and what we can do to improve it.

I'll leave you now with some photos from our Colour Explosion Fun Run!

Have a great week!
