PRINCIPAL'S REPORT:

Dear Parents,

Tomorrow sees our Kindergarten children heading out for a walk around Greenwell Point as part of their History and Geography unit. They will be looking at significant sites around the town and what makes our town special. If you see them out and about, be sure to say hello.

On Wednesday we will welcome 18 excited children and their families as they attend their first Kindergarten Orientation. Starting at 9:15 am, parents will participate in an information session while their children get to discover their classroom for next year and get to know the students they will be coming to school with.

This week also sees Power FM broadcasting live from the school. Broadcasting starts at 6am and children are welcome to attend school from 7:30 am. All students will be treated to a free breakfast of cereal and toast. Parents and community members are welcome to join us so why not come along and join in the fun. A coffee van will be here for you to get your morning coffee fix and the P&C will be selling bacon and eggs rolls for \$5.00 for any parents, visitors and children who would prefer this alternative.

At next weeks assembly (please note any time and date changes) students in Year 5, will be given an opportunity to express to students and parents, why they believe they should be considered for a leadership position in 2020. Parents and family members are welcome to attend.

I would like to take this opportunity to thank the P&C for all of the work that they do for our school. At last weeks P&C meeting, they voted to kindly donate money to the school to construct a sandpit, to purchase resources for classrooms and to purchase blinds for classrooms. The work they do behind the scenes for the school benefits each and every child. They are currently looking for more members, so if you have time to come along to the next meeting, please save the 3rd December at 6 pm to your calendar. The more support we get from parents means the more support our school and students receive.

Finally, as today is Remembrance Day I would like to take this opportunity on behalf of the school to pay our respects to all of those Australians who have served and died as a result of war.

Have a great week!

Regards,

Mrs Cathie Glennan
Principal

So don't forget to keep collecting the lids and please make sure that they are washed and clean before sending them to school. Have you asked your friends and family to collect lids also? Lids that can be used are milk lids, UHT milk lids, water bottle lids and soft drink lids.

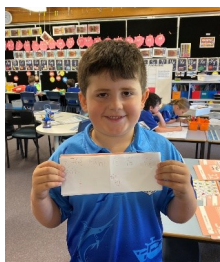

LIBRARY NEWS

As the year is slowly coming to an end, its time to start checking for any missing library books that may be out standing. We ask that all books be returned by the 22nd November so that Mrs Hiscox is able to do a stocktake.

BOOK CLUB.

Book Club is due back on Friday the 22nd of November. Please make sure that students names are on the order form. If you wish to order books as a gift please either mark it on the order form or if it is a loop order, there is a tick box that will notify Mrs Hiscox it will be a gift, but still please notify either Mrs Miller or Mrs Hiscox in the office, just in case so they know not to give the books out to the student. This is the last order for the year.

Harley making great progress with his Literacy.
