PRINCIPAL'S REPORT:

Dear Parents,

Last week I had the pleasure of attending the Principals Police forum in Nowra. These wonderful dedicated service personnel gave us an insight into their working day and how they work with schools to support students and families. The one area we can reciprocate support is to ensure our children are cyber safe. Far too many children are still being exposed to inappropriate content on the internet or do not have the necessary child restrictions on their accounts. Please continue to make this a priority for your child and ensure you know who they are speaking to if they are on any form of chat room or social media accounts and that their posts are appropriate. Their digital footprint can follow them for many years. Help our local police to keep all of our children safe is the message.

Last Friday our brave Year 5 students gave their leadership speeches for 2020. There were many proud parents in the room and they spoke beautifully. We wish them all the best of luck. Each one of them however, is a leader in their own right and we are also very proud of them. The positions of Captain, Vice-Captain and Prefects will be announced at our presentation assembly on Friday 13th December.

This week sees the start of our whole school swimming scheme. Please ensure your child comes with all of the necessary equipment. Please continue to refer to the note that came home last week if you are unsure.

This week also sees our last kindergarten orientation. We have had a great time getting to know our new students and can't wait to see them all next year.

Next week we will have our final P&C meeting for the year. All are welcome to attend. This will be held on Tuesday 3rd December at 6 pm in the library. It will be followed at 7 pm by our 150th celebration meeting.

Finally, our Year 6 presentation assembly, where our rock bands will be performing, will be happening on Friday 6th December at 2 pm. Please come along and enjoy their performances and help us to farewell them. All are welcome.

Have a great week.

Regards,

Mrs Cathie Glennan
