## PRINCIPAL'S REPORT:

Dear Parents,

Today you will find a note coming home for our Whole School Swimming Program. This is a new initiative we are trialling this year, which will be run at the Greenwell Point Village Pool. There is no cost to parents for this activity as it is being fully funded by a grant we received from Sporting Schools Australia. We are hoping that all students will be able to attend, as swimming is a life-long skill that all students need to learn. The teachers running the program are AustSwim trained. Please be as honest as possible in your responses so we may best tailor our program towards their developmental level. Please also return the notes as soon as possible for the effective organisation of this activity.

Lately, we have had many students arriving at school well before the bell, which rings at 8:40am. Please be aware that prior to this time, there is no supervision for students and anybody arriving before this time must be seated under the cola until supervision starts. If for any reason you need to regularly drop your child off early, please make the front office is aware of this.

If you are out and about in Greenwell Point this Friday, keep an eye out for our Kindergarten students who will be taking their lessons outdoors. If you have a child in Kindergarten, please see the newsletter that came home last Friday regarding this.

Finally, next week sees our first Kindergarten Orientation for students starting in 2020. We are looking forward to meeting all of our new enrolments. Have a great week!

Regards,

Mrs Cathie Glennan  
Principal
