PRINCIPAL'S REPORT:

Dear Parents and Carers,

Wow! Term 2 has nearly passed again and what a busy term it has been. We are pleased to report that a recent collection of school attendance data by the Home School Liaison Officer has shown an increase to 91.3% attendance. Thank you to all parents for helping improve this rate. Remember if your child has an absence please send a note in immediately upon their return.

It has been pleasing to see so many students consistently displaying respect for school values. The playground has been very settled and as a result students will have their reward on Friday. This will coincide with a Yr. 6 fundraiser. Notes will be handed out in the next few days.

Last week we had a visiting performance from Tap Stars. Years 1-6 watched a live play which aimed at educating our students on the importance of water conservation and water quality in a fun and interactive way. I received positive feedback and students are to be congratulated for their engagement.

A big thank you for all who attended Friday's assembly. From what I have heard there were many in attendance, which is great to hear. Students in Kindergarten were lucky enough to receive their very own Hot Shot Tennis racquet. These were once again generously donated to the school to further encourage tennis skill development. Who knows we may one day see one of our students at the Australian Open.

Over the past few weeks Mrs Miller has been working tirelessly on updating the school website. If you have not already visited the site, be sure to familiarise yourself with it ASAP. Parents can now find permission notes, newsletters, uniform order forms, canteen lists, photos of events and dates for upcoming events all in one handy location. A big thank you to Mrs Miller for all her efforts.

Today we saw all of our students 8 years and over attend the FISST Athletics Carnival at Shoalhaven High. Teachers have reported that it was a very tiring day with many students pushing themselves to achieve their personal best.

Semester 1 reports will be distributed Tuesday 2nd July. Teachers have requested interviews with certain parents to discuss their child's progress. Additionally, if you feel you would like to discuss the report further, a parent teacher interview request form has been included with all student reports. Please return this request to the office by Thursday 4th July. Interviews will take place week 1 next term.

Finally we hope you all have a safe and happy holiday. School resumes on Tuesday 23rd July for all students.
