PRINCIPAL'S REPORT:

Dear Parents and Carers,

Welcome back to term 3. It has been lovely to hear the children excitedly talking about their holiday break!

Although all terms are busy, this one has a lot planned and will be an extremely busy one for both staff and students.

Already this week we have NAIDOC Week activities planned and are holding our parent/teacher interviews. If you missed the note that came home last term, and you wish to make an appointment, please contact the school. Rock Bands for years 5 and 6 will also commence this week and they will be practicing hard between now and the end of the year for their end of year performance.

In the coming weeks we have the following activities planned. The students will be travelling to Callala Public School to hear Christina Anu perform. This excursion is at no cost to the students and should be a wonderful experience. We have a Science Week Excursion planned to coincide with National Science Week and the District Athletics will also be held. We have several students heading off to represent our school at this and we wish them all the best. Please look out for more information coming home soon.

In Week 5 we will have combined Education Week/ Book Week celebration. During this time we are planning open classrooms, a Grandparents Day Assembly with performances, a Book Character Parade and a Book Fair. Please lock Friday 23rd August into your calendars so you can join in on the celebrations. This year's Book Week theme is "Reading is my Super Power!- What's Yours?" Children are being encouraged to think about their own 'super power' and how this could reflect a current book character and dress up on the day.

Also in the library this term, we are encouraging children to borrow and read more. To do this we have hidden "Golden Tickets" in many of the books throughout the Library. Children can borrow up to 2 books at a time and if they find the golden ticket hidden inside their book, they can claim a prize! Library borrowing days for classes are as follows but children can borrow at lunch breaks throughout the week also. On Wednesdays – 2/3G and 5/6W will have opportunities for borrowing, Thursdays are for KB and 1B and on Friday its 3/4B's opportunity.

Finally, here are some photos of the students enjoying our new library furniture. This was made possible due to the kind donations from the Greenwell Point Bowling Club.

Have a great week
