### PRINCIPAL'S REPORT:

Dear Parents,

This week sees the commencement of our swimming program. I know there were 30 very excited children heading off today and it's wonderful to think that over the next two weeks the skills they learn will stay with them for life.

If you have been in and out of the school lately you may have noticed that work for a quiet reflective reading space has commenced outside of the Kindergarten and year 3/4 classrooms. It is coming together nicely and the final touches should go in before the end of the term.

The end of the term will also bring a few changes for the staff here at Greenwell Point. Mrs Hosler, who has worked with us for the last 3 years, 2 days a week, had decided for personal reasons to return to her substantive position at Cambewarra Public School. She will be very much missed by the staff and students as she has done such an amazing job. Thank you, Mrs Hosler, we wish you all the best. This position is one we retain at the school and until the end of the year will be filled by the fabulous Mrs Baker. This is a fantastic career opportunity for Mrs Baker, and I know she will do a fantastic job. A job share role for the Year 1 teaching position has now been organised to minimize disruption to teaching and learning programs. The position for Year 1 classroom teacher for Term 4 will be shared between Mrs Baker and Mrs Broadbent, a teacher who has been in and out of the school a lot over the past few months.

Finally, today we counted over 30 jumpers in our lost property basket, all without names. Please check to see if your child is missing their jumper or jacket. Some of these look brand new, but without names we are unable to return them to their rightful owners. Please note that we do not have the storage to keep them at school so all items not claimed will need to be taken to the Opportunity Shop on the last day of term.

Have a great week everyone,

Regards,

Mrs Cathie Glennan

Principal

## BEFORE & AFTER SCHOOL CARE

Although our school does not yet have before and after school care, it is something we are considering applying for. Today we received this email. If this is a service that you may foresee yourself needing, please take the time to fill out the online form.

"The NSW Government is committed to providing before and after school care to all students of public primary schools in New South Wales. As part of the reform, a parent web form has been established by Service NSW that will enable parents to tell the department about their specific care needs and to stay up to date with any new developments."

The information provided by parents will help the Department of Education to understand your needs, give them insights into where there are gaps in service delivery and help to ensure the extra places are delivered where they are required.

Have your say today at <https://www.service.nsw.gov.au/basc>.
