- 27 Last day of Term 3

OCTOBER

- 14 Return to school
4th Instalment for 5/6 camp due
- 23-24th 5/6 Camp

PRINCIPAL'S REPORT:

Dear Parents,

As we head into the last week of term, I'd just like to say thank you to all of the students for their hard work and to the teachers and staff for going the extra mile for children. This also includes a thank you to our dedicated band of volunteers who volunteer in the canteen, at the pub raffles and help out in and around the school. We couldn't do it without you.

Last Friday, many of our students were lucky enough to participate in a tennis workshop with ex-professional tennis player, Sam Groth. The children had a wonderful time brushing up on their skills and asking questions about Sam's career. This week sees us finishing up the swimming program, with the children having a great time practicing the skills they learned last week.

This Friday, year 5/6 will be holding a fundraising disco during lunch to help them with purchasing a departing gift for the school. There is a meal deal on offer for all students as part of the activities, with orders being taken for a sausage sandwich and a popper up until Thursday. There will also be other items on sale. If you missed the note that came home last week, please see the front office.

This holidays the school has signed up to be a 'Share our Space' school. We are encouraging families to come and use our grounds and the play equipment as they are enclosed within a safe and secure environment. We do ask that if you use our space during this time that you help to keep it beautiful, and use the bins that will be provided. If you see others not respecting the space, please contact the local authorities. There will also be a lot of works going on in the school grounds, with roofers replacing the roof on the administration building and the garage. In addition to this works there will be a team of painters painting the inside and outside of various buildings.

Last week teachers noted that a lot of children currently have head lice. They are definitely a nuisance and cause much distress to children and to parents. The school holidays are a perfect time to regularly check your child's head and treat them, ensuring we eliminate them altogether over the holidays. It is only if we all work together that we can get on top of the problem. If you are unsure what they look like or the best ways to treat your child, please visit <https://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx>

Finally, please don't forget to check the lost property for jumpers etc. We have multiple jumpers still unclaimed. Unclaimed jumpers will be taken to the opportunity shop this Friday.

Have a safe and enjoyable holiday break. Students and teachers both return on Monday 14th October.

Have a great week everyone,

Regards,

Mrs Cathie Glennan
Principal

IMPORTANT REQUEST

Please **DO NOT** bring peanuts or use peanut butter at school.

BOAT AWARDS

KB— Trent & Xaviar
1B— Ella & Javin
2/3— Taylor & Mya
3/4— Indee & Aisha
