## PRINCIPAL'S REPORT:

Dear Parents,

Last week Year 5/6 were treated to a visit from both the 2020 year advisor and teachers from the Creative Arts Department at Shoalhaven High. The day was spent learning more about making artworks from clay and then participating in music lessons with the high school teachers. The children had a great time modelling the clay into some very impressive pieces of art (see photos). At the end of the day, the teachers reported they were most impressed by the student's enthusiasm and artistic skills. They also commented on the overall feel of the school saying how wonderfully polite and well-mannered the children of our school were. As a principal, these moments are very special. We look forward to continuing our relationships with Shoalhaven High as we prepare our primary students for the next phase of their learning journey.

Last week we also sent home some notes for the upcoming swimming scheme. There are still places available with the scheme targeted at children who are not yet confident swimmers. If you would like your child to attend, please return the notes as soon as possible.

Finally, tomorrow night will be our P&C meeting. This will be held in the library from 6 pm- 7 pm. Following this, we will have our 150<sup>th</sup> Celebrations meeting. All are welcome to attend.

Regards,

Have a great week !

Mrs Cathie Glennan

Principal
