## PRINCIPAL'S REPORT:

Dear Parents,

Last Friday we finished our Aquatic Safety program and it was great to see the increase in water confidence and skills exhibited by the children. It was a tough week and the children were exhausted by the end but it was well worth it. Thank you to Mr Tucker for volunteering to be in the pool with me each and every day!

Yesterday we held our 2021 Leadership speeches. I was very proud of the boys and girls that stepped up to speak about themselves and what they would do for the school if elected as a leader. All of the children spoke beautifully and passionately about our school and I wish them all the best. They are leaders in their own right, even if they do not end up wearing the badge. Captains and Prefects will be announced on Presentation day.

Today many of our year 6 students are at their High School Orientation Day. We hope they have a great time. I would like to take this opportunity to congratulate four of our students for being selected for the 'Aspire' class at Shoalhaven High. It was a tough application and interview process but your abilities shone through. Well done to Isaiah Smith, Sophie Hirschhausen, Shiann Piper and Brooke Keith. We are very proud of you!

This week, notes are coming home for classroom rewards days. Due to Covid restrictions, we are opting for class days as opposed to whole school rewards. Please ensure these notes are in by the due date to allow adequate planning time for both teachers and office staff.

Finally, we have a large number of children presenting to the office every day without water bottles. This is concerning as the days are getting hotter and adequate hydration is important. Our bubblers are still closed due to Covid restrictions so please ensure your child comes with a water bottle each day.

Have a great week,

Catherine Glennan

## REMINDERS

### Year 6 Farewell Assembly 10<sup>th</sup> December 2020

A maximum of 2 people per Year 6 student only may attend the assembly. Notes were sent home last week. We still have a number of families who have not indicated they will be attending. Please return this note by the end of this week so seating arrangements can be made.

### End of Year Presentation Assembly

Unfortunately, a difficult decision was reached where this year we will have only students and staff in attendance. We trust that although you may be disappointed in this decision, the logistics of organising such an event have far too many complications attached. We will however post many, many photos of our award winners to both our Facebook page and our school's website.
