### PRINCIPAL'S REPORT:

Dear Parents and Carers,

Firstly - hasn't it been lovely to see some rain! It would be such a relief for so many who have been affected by drought and fire.

Our first full week was a very busy week indeed. Firstly, thank you to all of the parents that turned up to our "Meet and Greet" sessions. We hope you had a great time getting to know the teacher a little better and finding out what more you can do to help and support your child this year. If you missed our sessions, remember that you can always catch up with the teacher by making an appointment with them during their RFF times by phoning the office. Thanks also to the P&C for supplying the afternoon tea.

We welcomed our new kindergarten students who have all settled into school well. I have visited them many times and they are enjoying the activities and learning the routines of 'big school'. They are also having a great time making many new friends.

We also had our small schools swimming carnival where again we had a large number of students attend and have a go. Thank you to the P&C for subsidising the bus so that so many students could attend. We hope the results will be out soon.

The Director of Education paid our school a visit and he is very pleased with how we have started the school year. He is looking forward to visiting the school more often this year to find out how he too can support us on our educational journey.

Finally, it was a very proud and heartfelt moment when our P&C presented a cheque for \$1250.00 to the Rural Fire Service. These were the monies raised at one of the pub raffles during the January fires. We are proud of the P&C's efforts and their ability to support not only the school but the wider community. That's what our P&C are all about. If you would like to get involved, we have our first meeting of the year tonight in the library. It will be a 6pm start and all are welcome.

Have a great week,

Mrs Catherine Glennan  
Principal
