PRINCIPAL'S REPORT:

Dear Parents,

With the colder months upon us, it is important that our children stay warm. Uniforms can still be ordered from the front office, we ask that you simply send your order in with your child or phone them through. This week we have attached our uniform shop order form for your convenience. Once orders are filled we will contact you to arrange a delivery time or option. Please remember that we accept cash only for all uniform orders.

We ask too that parents label all clothing as we have a few new jumpers and jackets turning up in lost property. It is however wonderful to see our children in uniform and showing pride in our school.

The Kiss and Drop Zone is working very well in the morning however, it is important that parents and carers meet their child/children at the gate to escort them to your car. No student should be unaccompanied walking across the road for safety reasons. Thank you in advance for your assistance.

Due to the impact of online learning, our end of Semester reports will look a little different than what you may be used to seeing. We will be writing comments for English and Mathematics only and reports will be sent home with students in the last week of Term 2. We will not be holding parent/teacher interviews this term but you are welcome to call and make a phone appointment to discuss your child's progress with their teacher during Term 3. We are always very happy to speak with you about your child's progress however we need to manage this according to the guidelines provided to us by the Department of Education. The information gathered for reporting will be utilised by staff to analyse areas of overall strengths and areas for improvement for terms 3 and 4.

Many of you have asked when the school canteen will be reopening. After much considered thought, we have decided to reopen the canteen in term 3. This will allow for canteen rosters to be re-established and optimal time for volunteers to be made aware of any new safety regulations. The days will continue to be on a Wednesday and Friday.

Finally, this week sees the Director of Education, South Coast paying our school a visit. I will be utilising this time to discuss the future directions of the school and to reflect on the school's achievements over the last 12 months.

Have a great week.

Mrs Glennan
Principal
