## PRINCIPAL'S REPORT:

Dear Parents,

Yesterday I had the pleasure of meeting with our dedicated P&C. This was our first meeting since February and there was much to discuss. It was decided that our canteen would recommence operation from term 3. There will be some minor changes to begin with, being that canteen will be open for orders only and no food will be served over the counter. All meals will be prepared or pre-packaged. An adjusted menu will be provided in the near future. The canteen will operate on a Wednesday and Friday.

This Thursday sees the students participating in a cultural Doing Things Together day. Students K-6 will be vertically grouped and they will rotate around the classrooms participating in cultural arts and crafts activities. This is in recognition of the original NAIDOC Week celebrations. Another date for whole school celebrations will be added to the calendar later in the year.

Year 6 will also host a fundraising day to coincide with these celebrations. Please see the attached flyer for more information.

Next term, despite the restrictions, we will still be hosting our annual Book Fair. More information regarding this will come home soon, so please look out for this.

Take care and have a great week.

Regards,

Catherine Glennan.  
Principal
