## PRINCIPAL'S REPORT:

Dear Parents,

Last week we had our wonderful Kindergarten students celebrate 100 days of school together. They celebrated with cakes, 100 day hats, 100's and 1000's fairy bread, an agility course, treasure hunt in the sandpit and some writing about what they will do when they are 100! Thank you to Mrs Scott for organising such a wonderful day for our Kinder students.

Tomorrow is our annual school photo day and students are reminded to wear full school uniform (not sports uniform). Please return the photo envelope tomorrow with your child. All students will have an individual photo taken which will then be collated into a group picture.

Works are progressing on the sports court at the top of our school playground. Fingers crossed it will be ready next term for our school to utilise. This will be such an asset to our school and community. We can't wait!

On Monday we are holding some Athletics events for our school. Students will need to wear their sports uniform and running shoes. There will be no spectators permitted for this due to COVID restrictions. Thank you for being so understanding during these difficult times!

We thank the parents who have returned the Directions 2021-2024 survey. We have had a disappointing response to this so far, with only a small amount returned to school. In order to determine the direction our school will move over the next 4 years we greatly appreciate the community's feedback and input. If you need another copy of the survey please contact the office and we can organise to have one sent home.

We are currently compiling our Kindergarten packs for new students beginning 2021. If you know of any children yet to enrol or if you have not notified us of your intention to enrol your child, please contact the office to discuss enrolment options. We are looking at our planning for classes next year and number of students. Orientation will be organised differently this year. More information on this to follow.

Have a wonderful week!
