## PRINCIPAL'S REPORT:

Dear Parents,

Exciting news! Work commenced this week on our new multi-purpose playing surface! This has been a dream of the staff and community for over 12 years now and we are excited that it is finally happening.

It will for a time mean that the top part of the oval will be fenced off, so we will be looking to use only the double gated entry behind the hall for students entering and leaving school. It is hoped that the court will be finished by the start of next term. A huge thank you to everyone who has pitched in with fundraising over the last few years, to the community being supportive of our cause and to anyone else that has inadvertently supported us. We are so appreciative!

We will keep you up to date with pictures!

Thank you also for your amazing support with the Book Fair. All students with back orders should have received these now.

Could you please ensure your child has a drink bottle at school every day, as we are unable to allow children to use the bubblers due to COVID restrictions. There is a high number of students coming to the office requiring cups of water. Your support is appreciated during these difficult times. Thank you.

This Friday the 11<sup>th</sup> of September is National Walk Safely to School Day. Now in its 21<sup>st</sup> year, National Walk Safely To School Day is an annual event encouraging all students to walk and commute safely to school as well as promote road safety, public transport and the environment. So participate if you are able! (There is a colouring- in page included with this newsletter if you would like to complete it and have it displayed on our bulletin board outside the Year 1/Kinder rooms. These need to be returned to school by this Friday, extra copies available the office)

Take care and have a great week,

Regards,  
Catherine Glennan
