PRINCIPAL'S REPORT:

Dear Parents,

Today we saw our Year 6 students, heading to Shoalhaven High next year, attend their first whole day orientation session. The children were very excited to learn more about the school they would be attending in 2022, keen to meet their teachers and eager to meet some new friends. From early reports the children were having a great time and were sitting in on an English lesson. Thank you to Mrs Buckpitt for accompanying our students on the day to make them feel more at ease. We know however our year 6 students are more than prepared to take on this next phase of their learning journey.

This Thursday sees our P&C having their first onsite meeting since the lockdown commenced. If you are able to make it, please come along. It will start at 6pm and will be held in the library. Masks are to be worn for the duration of the meeting and attendees can sign on using the QR codes at the gate. We look forward to seeing you there.

Have a great week.
