## PRINCIPAL'S REPORT:

Dear Parents,

The term is quickly winding down. It is with great excitement though that I can announce that Greenwell Point Public School has been awarded a Certificate of Excellence from NSW Department of Education. This award is for exceptional leadership demonstrated within the entire school learning community throughout 2021. It is fantastic for our staff, students, parents and community to be recognised for their efforts throughout what has been difficult year.

A huge thank you to the P & C who have graciously donated \$2000 towards our amphitheatre construction. The construction is now complete and students are utilising it for outdoor lessons and lunch breaks.

With the increase in rain we have seen an increase in mosquitos and sand flies in the playground. While we have taken every effort to protect students in and around the classrooms, we encourage parents to apply Aerogard or a similar product to children before school. Alternatively a roll-on version can be brought into school for application throughout the day.

Over the past few weeks, the Council Rangers have been vigilant with their patrols around the school. To keep our students safe please adhere to the 40km/hr road speed limit and park in allocated parking zones to avoid an infringement notice. We have attached a list of the fines and demerit points.

Teachers have been working hard to complete the end of semester reports. Due to home learning this semester these reports will be different in content. We anticipate that reports will be sent home next Wednesday. Please advise the office if you wish to have multiple copies for children with parents living in different household.

Good luck to all our enthusiastic Year 5 students who are running for School Captain in 2022. We will be holding captain speeches on Friday 3rd December 2021, with voting to take place the same day. Unfortunately parents/carers/visitors are unable to attend. The announcement of 2022 Captains will be made at our end of year assembly.

Finally well done to our Year 6 students who attended Shoalhaven High School for their Orientation Day, we have heard nothing but praise for their conduct on the day and believe they all gained valuable experience. We have some photos of the day on the back of the newsletter. Have a great week.
