## PRINCIPAL'S REPORT:

Dear Parents,

This week has seen the commencement of our Kindergarten Orientation walkthroughs. It has been lovely meeting all of the new children and families that will be starting school in 2022. We have also had a number of new students enrol, as they have recently moved to the area. So welcome to all of our new families. We know you will love it here at Greenwell Point Public.

This week also saw the commencement of our 'Check in Assessments' for all students in Years 2-6. These assessments are being conducted all over the state and provide us with valuable information regarding a child's academic needs. So far we have been very pleased with the results, as they have indicated that despite the interruption to learning, the students of Greenwell Point have shown significant growth in both reading and numeracy.

Finally, on Friday 13<sup>th</sup> November, a Shoalhaven High School representative will be visiting our Year 6 students to talk to them about transitioning to high school. The 23<sup>rd</sup> of November has been set aside for the children to visit the school and orient themselves to the layout, the bells and their teachers. We are hoping that no outbreaks of Covid 19 occur to disrupt this for our students as it is an exciting day for all involved.

Please continue to take care and stay safe.

Have a great week.

Catherine Secombe  
Principal
