## PRINCIPAL'S REPORT:

Dear Parents,

### Meet the Teacher Information Sessions

We hope you are able to make our 'Meet the Teacher' sessions being held both tonight and tomorrow. Please see the timetable for your child's time slot. As explained due to COVID restrictions we will hold our information sessions over 2 afternoons and we apologise if this causes you any inconvenience.

These sessions will provide information about your child's class, the expectations set across the school and the wonderful things they will be doing throughout the year. We look forward to seeing as many of you as possible.

Please note that these sessions are for parents only due to COVID restrictions for social distancing reasons. Thank you for your understanding.

### Scripture

Scripture starts this Thursday. Please contact the office as soon as possible if you wish a change to your child's religious education. If we do not hear from you your child will attend the same choice as last year.

### Afternoon Pick Up

Just a reminder for parents to collect their children promptly and walk them back to the car. I know everyone has been patient with the restrictions but I ask that parents do not wait on the road or have chats near the school gate. I also ask that children are supervised when back at your car or while you are talking to another parent. This is for safety reasons. I appreciate everyone's support and understanding in making our pick-up situation as safe and quickly as possible.

### Illness/Cold and Flu

A high percentage of students have recently been sent home from school suffering from sore throats, runny noses and a cough. If your child is unwell we ask that you do not send them to school. All children presenting with cold or flu-like symptoms will be sent home. We thank you for your support in this matter.

### Voluntary Contributions

At our last P&C Meeting we discussed voluntary contributions for students.

Voluntary contributions were set at the following:

One child - \$25.00 a year

Two children - \$40.00 a year

Three or more children- \$50.00 a year

The money from voluntary contributions goes towards purchasing resources for your child's classroom. Please remember there is no expectation on families to pay.

Have a great week,

Ms Catherine Secombe
