PRINCIPAL'S REPORT:

Dear Parents,

We are halfway through the term already and the children have now settled into their classroom routines.

Last week, we held our parent 'Meet and Greet' and the staff and I thank those parents who were able to attend to find out more about their child's daily routines and what is expected in the classroom.

This week, teachers are devising Individual Education Plans for students with allocated funding and next week will be completing Personal Education Plans. Due to ongoing Covid restrictions, parents will not be asked to attend these meetings, however, a copy of the completed plans will be sent home for you to review. If you would like to discuss these further with your child's teacher please contact the school.

This Thursday, the whole school will begin golf coaching for sport. The children will need to wear comfortable joggers to participate in the skills taught. All students will need to remember their hat and a drink bottle on a daily basis. Children without a hat must play under the covered area.

On Friday 5th March, our school will be participating in Clean Up Australia Day around the school grounds. Your child is invited to bring a disposable or rubber glove to school to participate in the clean up. We always manage to fill a few bags each year with rubbish from areas around the playground and from areas not used on a daily basis.

Have a great week,

Ms Catherine Secombe

P&C NEWS

Every Friday night the P&C run the Pub raffle as they have done so for the past few years. We are asking for volunteers to help sell tickets. As an incentive a \$5.00 canteen voucher will be given. For more information please contact Helen George 0414 719 78.

REMINDER

Reminder for kindergarten parents if permission notes for the STEPS (EYESIGHT TEST) permission note has not been returned, please do so ASAP. If in need of a new form see Mrs Miller in the office.

During Term 1 3/4/5 have been reading and responding to the book "Blueback" by Tim Winton. The book is about a boy named Abel who develops a strong connection with a blue groper. We used the way in which Tim Wilton described Blueback and the ocean he swims in to paint our interpretation of the fish and bring the book to life.
