## PRINCIPAL'S REPORT:

Dear Parents,

Congratulations to all the competitors who represented our school at the Small Schools Swimming Carnival. We had a few students do very well in their races and we are now just waiting on confirmation to see if any of our students move through to the next level. Thank you to Mr Tucker for accompanying them on the day and thank you to the students for representing yourselves and our school so well.

Kindergarten have completed their first full week of school and we are amazed at how quickly they have settled into their new routines. This week we will send home the information about our meet and greet sessions for all the classes. It will look a little different this year due to ongoing restrictions, but we are hoping to still see many of you there.

This Thursday we have **Service NSW** on site. They will set themselves up in the Library for parents who wish to speak to them about applying for Active Kids and Creative Kids Vouchers and also for anyone wanting information on travel passes. They will be available between 9:30-11:00am. If you would like to speak to them we ask that you phone ahead to indicate you'd like to attend and to also use the QR Codes on the gates when you enter the site.

Lastly we have an increasing number of students coming every day without hats. As part of our Sun Safe Policy all children are required to be wearing a hat and have a drink bottle when on the playground. Please ensure your child has their hat packed every day. New hats are available from the office for \$12.00 or they can also be purchased through the My School Connect App.

Have a great week,

Ms Catherine Secombe
