PRINCIPAL'S REPORT:

Dear Parents,

Student Reports

This week we will be sending home student reports. This is an outline of your child's achievement so far this year. Included in the report is a note outlining interview times should you wish to have an interview with your child's teacher to discuss their progress. Please return the note as soon as possible and teachers will endeavour to make contact with you at your preferred time. If you are unable to make these times, please indicate this and teachers will endeavour to make contact with you at an alternate time.

Head Lice

Head lice continue to be a major problem in some classrooms. The treatment for head lice often takes several treatments so we ask that you are vigilant and treat according to the instructions of the products you are using. There are many commercial and alternate treatments available. If you would like more information, please do not hesitate to contact the school.

Drop off's /Pick Up's

If you pick up or drop off your child in Jervis Street, please be mindful that there is a **'No Stopping or Drop Off/ Pick up'** directly at the front of the school. Police and parking rangers have been vigilant lately and are fining those not abiding by these road rules. Please help us to keep our children safe.

Kindergarten Enrolments 2022

We are now taking Kindergarten enrolments for 2022. Please enrol your child as soon as possible as we begin planning for 2022 classes in the second semester of each year. If you know of any families wishing to enrol their child, please ask them to contact the school.

Have a lovely week!

Ms Catherine Secombe
