PRINCIPAL'S REPORT:

Dear Parents,

As we head into our last week of term I'd like to take the opportunity to thank my teaching and non-teaching staff for their dedication and commitment to ensuring quality learning was happening in every classroom. Your dedication to education is evident in everything you do.

I'd also like to thank the students for giving their best in every aspect of their school life from the classroom to the playground, to the sports fields, and to other social interactions. You do this school proud. Behind every child though is a parent, who supports them in every way, so thank you to the parents as well for making the first half of 2021 so successful. I hope you have enjoyed reading your child's report and are happy with their progress. Each report includes your child's goals for the second half of the year and we encourage you to talk to your child's teacher about how you can support them to achieve these goals. If you have not yet made a time to see your child's teacher or speak to them, please take the opportunity to contact them this week.

Please see the calendar for this weeks events and please have a safe and happy mid-year break with your child or children. We will see all students back on Tuesday 13th July as teachers will be attending 'Seven Steps Writing' training on Monday 12th July at Culburra Public School.

Have a wonderful break.

Ms Catherine Secombe

Reminder for over the school holidays to check and treat your child's hair for nits. Lets see if we can start off a new term nit free. Thankyou everyone.
