PRINCIPAL'S REPORT:

Dear Parents,

Well done to all the students who participated and proudly represented the school at the Athletics Carnival last Friday. We are still awaiting the final results.

Work has started near the under-cover area on our new school amphitheatre. This will be a beautiful space for students to read, work or utilise at lunchtimes. We are looking forward to the completion of this over the coming months.

The books have arrived for our upcoming Book Fair which will occur in a few weeks. More information on how you can purchase books to support our school will be forthcoming. There will also be other activities, so keep an eye on the newsletter for more information.

All staff have been conferencing with their class to establish goals in either Mathematics or Literacy. Students have been working hard to demonstrate their goal three times to their teacher in order to achieve it. Some students have already achieved one of their goals. Each week a few students will feature with their goal in the newsletter. Maybe you could ask your child what their goals are? We have some very proud students!

The P & C meeting will be held now in Week 4.

Have a great week.

Ms Catherine Secombe
